

## P-C3060DN / P-C3570DN

# Operating concept for beginners – print results for professionals.

You require a user-friendly work group printer with high productivity and convincing colour quality? Then the new models P-C3060DN and P-C3570DN are perfect for you. The driver interface offers a variety of settings, in order to optimise the brilliance and colour integrity of your printed output. These settings can be easily saved in user profiles – and restored at any time.

Thanks to the TA Triumph-Adler Mobile Print App and the Apple AirPrint® protocol, the systems can be accessed remotely, which provides even more flexibility when printing from smartphones, tablets, as well as iPhones, iPads and Mac computers.

### Your benefits:

**Colour documents on a high level:** The intuitive driver software offers a variety of settings, in order to get the best out of colour documents. A simple click allows you to, for example, select „publication“ or „vivid colours“ and you immediately receive a brilliant printing result. But the highlight is the colour optimiser with which you can achieve high colour precision for company logos and colours. It doesn't get more professional than this!

**Highest level of flexibility:** The printers not only process a high paper capacity of max 2,150 pages\*, but also various formats (A6R-A4) and different paper weights (60-220 g/m²) at the same high colour quality. The connection possibilities also leave no wish unfulfilled - whether it is USB 2.0, USB host, 10/100/1000BaseTX card or wireless connection\* – the printers can be easily integrated in every environment.

**Productivity increase:** After the warm-up time, the extremely fast first page (max 10 seconds) and immense follow-on speed are convincing. Especially for extensive print jobs, this is an advantage that should not be disregarded.

**Intuitive operation:** The optimised driver is sorted clearly by functional areas and the interface is uniform for all systems. That creates a very high user-friendliness – across the systems. Specific, individual user profiles allow recurring print jobs to be started by mouse click. It couldn't be more simple!

\* optional

P-C3060DN / P-C3570DN  
Colour Printer / A4

# P-C3060DN / P-C3570DN

## Technical data

General		General		Environment	
Type	Desktop	Network protocols	TCP/IP, Net BEUI	Noise level	<i>P-C3060DN:</i> approx. 68.5 dB(A) in operation, approx. 36 dB(A) in stand-by mode (ISO 7779/9296) <i>P-C3570DN:</i> approx. 71.3 dB(A) in operation, approx. 48 dB(A) in stand-by mode (ISO 7779/9296)
Function	Print	Operating systems	Windows XP, Vista, Windows 7/8/8.1, Server 2003/2008 R2/2012 R2, Novell NetWare, Linux, Mac ab OS 10.2	Safety	GS/TÜV, CE, Energy Star
Print technology	Laser colour and b/w	Emulations	PCL6 (5c, XL), KPDL 3 (PostScript 3 compatible), XPS, PDF v1.7, PRESCRIBE IIc	Options	
Print format	max A4	Functions	PDF/XPS direct printing, printing of e-mails, private printing, barcode printing	Paper feed	max 3 x PF-500 (1 x 500 sheet universal cassettes (A5R-A4)), PF-510 (1 x 500 sheet multi-purpose cassette (A5R-A4))
Print speed	max 30/35 A4 pages/min in colour and b/w	Dimensions/Weight		Other options	IB-50 Gigabit Ethernet card, IB-51 WLAN card, HD-6 (32 GB), HD-7 (128 GB), cabinet no. 55
1st page	<i>P-C3060DN:</i> Colour: 10 seconds*, b/w: 8.5 seconds* <i>P-C3570DN:</i> Colour: 9 seconds*, b/w: 8 seconds*	Dimensions	<i>P-C3060DN:</i> 480 x 345 x 518 mm (H x W x D) <i>P-C3570DN:</i> 480 x 345 x 518 mm (H x W x D)	*Depending on operating status.	
Warm-up time	36/45 seconds	Weight	<i>P-C3060DN:</i> approx. 29.5 kg <i>P-C3570DN:</i> approx. 35 kg	**optional	
Print resolution	600 x 600 dpi, 9,600 dpi level	Environment		Specifications subject to change without notice.	
Greyscales	256	Mains voltage	220/240 V, 50 Hz	Image shows machine with optional accessories.	
Paper feed	1 x 500 sheet universal cassette (A6R-A4), 150 sheet multi-bypass (A6R-A4)	Power consumption	<i>P-C3060DN:</i> approx. 529 W in operation, approx. 76 W in stand-by mode, approx. 24 W in low power mode, approx. 4 W in sleep mode <i>P-C3570DN:</i> approx. 622 W in operation, approx. 86 W in stand-by mode, approx. 37 W in low power mode, approx. 4 W in sleep mode	The P-C3060DN and the P-C3570DN are manufactured in accordance with the requirements of the Energy Star Program.	
Paper weights	Universal cassette 60-120 g/m², multi-bypass 60-220 g/m², duplex 60-120 g/m²				
Paper output	250 sheet A4				
System memory	512 (1,536 MB RAM), 32/128 GB SSD**				
Processor	PowerPC 465S/667 MHz				
Interfaces	USB 2.0, 10/100/1000BaseTX, USB host, SD slot				

TA Triumph-Adler is the document business expert. We offer our clients individual analysis, consultancy and efficient document workflows - not only on paper, but also electronically and with long-term service. For whenever professional users manage, print, photocopy, fax, present or archive documents, or need to optimize processes, TA Triumph-Adler concepts and solutions are the first choice. Our customers benefit greatly from the user-optimized technologies offered by our innovative systems.
